Proposal to Setup Swecha Learning Center Team at your campus – Reg

Swecha Learning Center is a Techno Social Club run by Swecha Andhra Pradesh, a Non-Profit Organization working with the motto "Technology for Society through Free and Open Source Software". This will be a Center for development, community engagement and learning. The functioning works as a professional society under the principles of Swecha.

Activities:

- Free and Open Source Contributions
- Open Source AI
- Open Knowledge Contributions (Ex: Wikimedia, OpenStreetMaps, Open Data etc)
- Open Hardware Projects
- Projects oriented to create societal impact
- Extension and Outreach activities to bridge the digital gap
- Workshops, Bootcamps, Sprints, FDPs, Community Service Projects, Hackathons, Fests, Internships etc

Requirements:

- Faculty Incharge to monitor the SLC
- SLC Coordination Team with Students and Representative from Swecha
- A Space designated for SLC in the campus or a lab/class for meetings (optional)
- Travel, Boarding and Food Provision during Swecha Team Visits

The detailed activity can be seen in the brochures shared

- Swecha Learning Center MANIFESTO
- Swecha AP Brochure
